All pieces must be returned immediately following the conclusion of the ceremony (you may keep the tassel). #### CONGRATULATIONS FROM THE DEAN!

On behalf of the staff, faculty, and administration at Widener University Commonwealth Law School, I am delighted to congratulate each of you on reaching this magnificent milestone in your professional lives, law school graduation and commencement. I fondly remember walking across the stage on the day of my law school graduation and looking into the audience to see my family basking in that moment of joy with me. This is a day you will always remember. Commencement celebrates the completion of your legal studies and as such, is one of the most significant events on our academic calendar. On May 18th, we will commemorate your achievements and hard work, together with the support that your families, friends, and loved ones provided to you throughout your law school journey. We will also recognize the faculty's role in preparing you for the bar examination, upon which you will surely succeed, and your future career and life as a practicing attorney. I am very much looking forward to participating with you in the commencement ceremony and events which surround it. We hope your family and friends will join us to make graduation a remarkable event.

With respect,

Dean André Douglas Pond Cummings
