WIDENER UNIVERSITY SCHOOL OF LAW

2010 Summer International Law Institutes

Widener University School of Law's summer institutes in Europe provide law students with the unique opportunity to build their own "Summer International Law Experience". Widener's programs in Lausanne, Switzerland and Venice, Italy have been designed with the student in mind. Each program consists of two 2-week segments and students have numerous options when enrolling in courses. Students can select from the following options:

- Students may select any one of the two week segments and spend 2 weeks in Europe studying international law and then return home for the rest of the summer.
- Students may select one two-week segment in Lausanne and one 2-week segment in Venice or take 2 segments in one location for a month long summer experience.
- Students may select the first two-week segment in Lausanne, spend the next 2 weeks traveling through Europe, and then select the last 2-week segment in Venice for a complete summer European experience.

The myriad of options available in our European Summer Law programs mean almost every student can build a personal program to meet the individual's educational, financial, and personal goals.
