He earned a doctorate in Philosophy at Washington University in St. Louis, where he also taught bioethics. Robertson is currently leading a team of researchers on a major grant from the Safra Center at Harvard University, studying ways to ameliorate commercial biases in biomedical research. Previously, Robertson's research on the medical causes of home foreclosures was cited by President Obama in the State of the Union speech as a primary impetus for health care reform, and was discussed in the national media including the Wall Street Journal and the New York Times. Robertson's continuing legal practice has focused on complex litigation and scientific disputes. Robertson is presently co-counsel representing the New England Journal of Medicine as amicus in the United States Supreme Court on a case relating to the pharmaceutical industry. This lecture series honors John Gedid, one of the founders of the Harrisburg campus of our law school, and the campus's first vice-dean who has subsequently served a wonderful mentor to every faculty member the school has hired. The series showcases the work of nationally recognized young scholars much in the same way Dean and Professor Gedid has fostered, encouraged and applauded the work of those who joined the school he helped to found.

**Wolters Kluwer Law & Business is proud to sponsor the John Gedid Lecture Series.**

### **Dress for Success South Central PA ~ “Glitz and Glamour” Drive for Success**

**Do you or someone you know have extra jewelry and/or unused cosmetics to donate to someone just starting her career?**

**Well, we may have the answer!**

From **March 2-March 30 2011**, *the Women’s Law Caucus* will be conducting a **Glitz and Glamour Drive** to benefit Dress for Success South Central PA, a non-profit organization that provides interview-appropriate clothing, employment retention programs and confidence boosts to low-income women seeking employment.

Items can be dropped off at designated location in the pit at any time from **March 2-March 30 2011**. *All cosmetics should be in unopened, unused “ready to wear” condition and may be placed in a plastic bag. We prefer donations of lip gloss and mascara, as those are the items Dress for Success needs the most; however, all cosmetics will be accepted. Ziplock bags will be provided in the designated drop-off location in the pit.*

*We ask that any donated jewelry be placed inside of a plastic bag to ensure that it is not damaged in the donation drive.* We can only accept women's jewelry with **current** (i.e., purchased within the last three years) design lines. If your donation is work appropriate and if you, or the person who owned the item, would feel comfortable wearing it to an interview or to work, we'll take it!

Dress for Success South Central PA understands that if a woman doesn't have a job, she can't afford career-oriented clothes, accessories, and cosmetics. But without having a professional appearance, she can't get the job, a catch 22! By donating interview-appropriate cosmetics and jewelry to Dress for Success South Central PA you will be helping someone less fortunate get on the road to success. If you would like more on information on Dress for Success South Central PA, please see their Web site at [www.dressforsuccess.org/southcentralpa](http://www.dressforsuccess.org/southcentralpa) . If you have any questions, please contact Gina Lauffer, Women’s Law Caucus Volunteer Chair, at [gllauffer@mail.widener.edu](mailto:gllauffer@mail.widener.edu).

## ABA Hosts Blood Drive At Widener Law "American Red Cross Blood Drive"

**When: Monday, April 4, 2011**

**Where: Red Cross bus in Widener's parking lot**

**Time: 11:30am - 5pm**

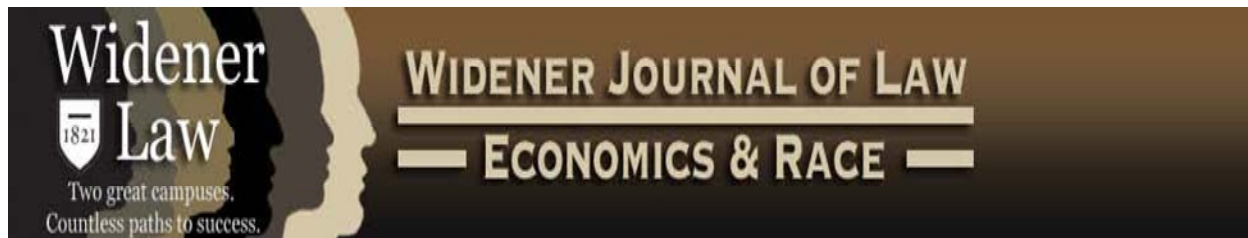

### Some facts about Blood Donations:

- *The #1 reason donors say they give blood is because they "want to help others"*
- *Two most common reasons cited by people who don't give blood are: "Never thought about it" and "I don't like needles"*
- *The actual blood donation typically takes less than 10-12 minutes. The entire process, from the time you arrive to the time you leave, takes about an hour.*
- *Statistics show that 25 percent or more of us will require blood at least once in our lifetime.*
- *Whole blood donors can donate as frequently as every 56 days. A benefit from donating this often is that you receive a mini-physical once every two months.*
- *Each whole blood donation can help as many as three people. One unit is divided into three parts: red blood cells, platelets, and plasma.*

To sign up, email Governor Paul D. Edger at [3rdcircuitgovernor@gmail.com](mailto:3rdcircuitgovernor@gmail.com), or sign up in the pit.

## Thanksgiving is Just a Few Days Away....

You read correctly: Widener is celebrating Thanksgiving for a **SECOND** time this year! On **Monday, April 11**, the Office of Alumni Relations and Development asks you to join us in giving thanks for our donors.

Take a minute to **visit our Thanksgiving table in the Pit** to sign our “thank you” poster for donors and/or to have your picture taken with a “thank you” sign for our donors. To thank *you* for your participation, we’ll have sweet treats at the table. Also, check out the “Widener Thanksgiving Day: Gratitude for Giving” signs you’ll see around campus throughout the day. These will contain some fun facts about donations to the school. The cafeteria will even be selling hot turkey sandwiches with gravy to help set the Thanksgiving mood on campus.

Thanksgiving Day will be capped off with the **Student-Overseers Reception** in the **Reception Room** from **5:00 – 6:00 p.m.** This **FREE** event will give you the opportunity to meet and greet members of the Board of Overseers and visit with the Dean. ## SUMMER 2011 INTERNSHIP POSITIONS IN THE ENVIRONMENTAL LAW CLINIC

Widener's Environmental and Natural Resources Law Clinic is now accepting applications for summer intern positions. The Clinic seeks to have 6 to no more than 8 interns assist in handling pending and new Harrisburg Office matters during the summer break. Interns will work under the direct supervision of Clinic Director Prof. Kristl and/or Staff Attorney Darlene Heep on a variety of projects, which may include:

- \* research and writing of legal memos dealing with issues in pending matters;
- \* drafting client letters, briefs, motions, and other documents for use in pending matters;
- \* updating and preparing new materials for the Clinic's pages on the Environmental Law Center's website
- \* preparing for and attending client meetings, public hearings, and court hearings
- \* responding to inquiries on the Widener Environmental Help Line.

Projects will be designed with individual experience and capacity in mind (i.e., we try hard to make sure you're not in over your head!)

Intern positions are available for Regular and Evening Division students who, by the time the internship starts, have completed at least 1 year here at Widener

This can be a great chance to gain real, practical experience in general and to check out the Environmental Clinic to see if it might be right for you to take for credit later in your law school career.

### Requirements

Applicants must submit their resume and interview with the Clinic Director and Staff Attorney. Applicants accepted into the program must agree to do the following during the summer (May 31 – August 4):

- \* work at least 10 hours a week on Clinic matters
- \* attend "Firm Meetings" every two weeks to discuss pending matters and issues (generally to be scheduled on Tuesdays at 4:00 p.m.)
- \* meet reasonable deadlines set by the intern and Clinic Director and/or Staff Attorney
- \* maintain confidentiality and comply with all applicable rules of professional conduct

### Application Deadline

Interested students must submit their resume and a short statement of why they are interested in the position to the Clinic Director by email ([ktkristl@widener.edu](mailto:ktkristl@widener.edu)) **no later than 6:00 p.m. on MONDAY APRIL 11, 2011.** Applications submitted after the deadline will not be considered unless the positions have not been and cannot be filled by those applying before the deadline. Interviews will take place on Tuesday April 12, Tuesday April 19, or Tuesday April 26 before or after the scheduled Environmental Clinic class at 4:00 p.m. When submitting your resume, please indicate which dates and times you would be available to meet with the Clinic Director and Staff Attorney for an interview. Internships will be awarded by April 28. Questions? Feel free to email them to the Clinic Director.

## Recycling News

### Myth:

Someone goes through the trash and pulls out the recyclables before it goes to the landfill.

We all know that anything thrown into the trash will end up in the landfill. Tossing something into the recycling containers instead of the trash bin is a small effort that can make a big difference for our environment.

Please do your part and help recycle.
