## HOW TO OBTAIN YOUR BOOKS

The Widener Law Commonwealth does not have a brick-and-mortar bookstore on its campus. You may buy your books online through the university's bookstore located on the Chester, Pennsylvania campus. Books for WLC students receive free shipping. If you decide to buy your textbooks from another online retailer, please know that the university's bookstore does offer a price-matching guarantee as detailed on its website.

### Instructions for finding your books:

1. Select Your **Term**.
2. Select Your **Department**.  
(Our department is: **LAWH**.)
3. Select Your **Course**.
4. Select Your **Section**.
5. Click on **Find Materials**.

You will see your professor's name and the textbooks and course materials listed. You can add the books to your cart.

### Important Notes:

Required Books: The required book is *usually* one textbook/casebook. Some classes will also require a statutory supplement.

Recommended Books or "Select One Of" Choices: These are usually supplemental hornbook books that professors think will be useful in learning the material. Some professors require you to purchase a supplemental book but give you the choice of which hornbook to purchase. Pay close attention to the wording in the Textbook column of the above grid. "Option A" and "Option B" indicate that you must (or are recommended to) purchase either one text *or* another text.

Bundles: When a "bundle" is indicated, you may either purchase the bundle, which is usually the more affordable option, *or* purchase each text separately. Again, pay close attention to the wording in the above grid.
