

Widener University is a metropolitan university that connects curricula to social issues through civic engagement. Dynamic teaching, active scholarship, personal attention, applied leadership, and experiential learning are key components of the Widener experience. Widener University Commonwealth Law School is the Pennsylvania capital's only law school, with three specialized centers of legal scholarship through its Law & Government Institute, Environmental Law and Sustainability Center, and Business Advising Certificate Program. Widener Law Commonwealth offers an exceptional learning experience that is personal, practical, and professional. The school's Veterans Initiative seeks to make Widener Law Commonwealth the law school of choice for service members, veterans, and military families.
